RE: *Dover, et al. v. British Airways*, Case No. 12-cv-5567

Your Honor:

Plaintiffs and BA have conferred regarding Plaintiffs' motion to exclude Dr. Andrew Hildreth's testimony (Dkt. 177) ("Motion"). Because BA has withdrawn Dr. Hildreth's designation as a testifying expert and no other witness will testify at trial about Dr. Hildreth's work in this litigation or regarding the details of regression analyses that were to be explored at the October 5, 2017 evidentiary hearing, Plaintiffs' withdraw their Motion as it is moot. Accordingly, the parties respectfully ask the Court to cancel the October 5, 2017 evidentiary hearing.

Very truly yours,
